Administrative Correction 5 08/18/2006 Correction to Executive Summary Table

Administrative corrections are defined at 36 CFR 219.7(b) and may be made at any time and are not plan amendments or revisions.

Administrative corrections include the following:

- (1) Corrections and updates of data and maps,
- (2) Corrections of typographical errors or other non-substantive changes;
- (3) Changes in the monitoring program and monitoring information
- (4) Changes timber management projections; and
- (5) Other changes in the Plan Document or Set of Documents, except for substantive changes in the plan components.

FEIS Executive Summary 3, page SUM-50 (36CFR 219.7(b)(2))

The Final Environmental Impact Statement (FEIS) Executive Summary is a summary of key concepts and findings from the FEIS. The **Roads** section of Table 3-11 (pg SUMM-50) inadvertently uses the figures for Decade 2 rather than Decade 1. These figures are replaced with those from Table F-3, Vol. II, Appendix F of the FEIS; Chippewa National Forest Roads (Decade 1) pg F-19.

This is a correction of a typographic error.

Corrected Page SUMM-50 is attached.
